Tom Erickson
Metro Construction Management
710 W. Main St. Suite F
Blue Springs, MO 64015

Tom,

As the Director of Facilities at Octapharma Plasma, Inc. I have had the pleasure of working with you and your team at Metro Construction Management during our unprecedented growth period which started in 2014. During this period Octapharma Plasma Inc. added 43 new plasma centers to our fleet across the nation.

Your dependability in meeting project deadlines while delivering a high quality project resulted in Octapharma Plasma selecting Metro Construction Management as its preferred contractor in early 2014. During these past four years your company has delivered 40 new plasma centers to Octapharma Plasma.

Not only do you provide a quality product on time, your team quickly became part of our team and this resulted in Octapharma Plasma's successful expansion of its plasma procurement branch. The highlight of our growth period was in 2016 when we successfully built nineteen new plasma centers in eight different states.

At the end of 2017 we will have increased our fleet of plasma centers by 82% in just 39 months! We owe much of this success to Metro Construction Management. I am sure you are proud of your team and the work that they do. I look forward to our continued working relationship on future projects.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kerry Clish".

Kerry Clish
Director of Facilities
Octapharma Plasma, Inc.
